

## Building Something for the U. S. Army - and Ourselves!

This will be an attraction in the Washington DC area that we will want to visit with family and friends

### First Engineer Combat Battalion- Army Museum Pledge Drive

We have made significant progress in this first year of our drive. We will continue the drive until the First Engineer Combat Battalion's name is displayed at the top of the wall in the Museum's Veteran's Hall

#### How much have we raised so far?

Our amount pledged totals \$15,150. \$10,017.00 of that has been received and deposited into the Museum Fund.

#### Where is our name on the wall now?

*"I thoroughly enjoyed reading and signing this letter. Well done and Congratulations! Thanks to your generous support, the First Engineer Combat Battalion has joined the Silver Service Star level in the Veterans' Hall of the National Museum of the United States Army".* [from General Abram's letter sent with the last award. New letter coming after July 1]

<b>Organizations</b>	<b>Contribution</b>	<b>Level</b>	<b>Our Position</b>
0	\$25,000	<b>Silver Oak Leaf Cluster</b>	
8	\$10,000	<b>Bronze Oak Leaf Cluster</b>	<b>First Engineer Combat Battalion</b>
11	\$5,000	<b>Silver Service Star</b>	
35	\$2,500	<b>Bronze Service Star</b>	

#### We are at Bronze Oak Leaf Cluster level by our reunion in September?

That is where we wanted to be to complete the first year of our Drive. Thanks to 24 of our veterans and their friends who have given to date. We are a large organization that should be able to quadruple the list of contributors in the next two years.

Ultimately, we would like to pass Silver Oak Leaf cluster level. We can get there by making family, friends and employers aware of our drive. They may donate via check made out to National Museum of the U S Army Fund with donor number 3207522 on the memo line. Checks may be mailed to Dennis O'Dea or Jerry Hunter (see pledge form below) They may also donate directly to the Fund headquarters by check or credit card.

**Be sure to mention donor number 3207522 when giving.**
